WARNING!!! Own pit spot must have impermeable tarpaulin which covers the entire pit spot area, especially the liquid protective shield

must be under race cars and maintenance vehicles, the fire extinguishers (6kg) must be present all the time during Porsche Festival 2022 event. The depot manager, chief of staff and the jury monitors the above issues.

Failure to defend a paddock site is set at a fine of 250, - € and race manager is allowed to close off completely the team / competitor from the Saturday's races.

6. 3rd party Motor insurance of the race car

Every race car must have a valid 3rd party motor insurance!

Insurance certificates are checked upon competition registration at the office.

7. Responsibilities and reservations

Each competitor takes part in training and competitions at his / her own risk. The Promoter shall not be liable for any damage that may occur to the competitor or his equipment or which he causes to another person or their property.

The competitor is responsible for the fact that he, his assistant and team members are familiar with and comply with the national rules on racing, speed racing rules and competition rules, the rules of his own class and the competition rules mentioned therein, the competition announcement published after the end of the registration and any subsequent releases to be distributed later. The organizer is entitled to transfer, revoke or suspend the competition, if circumstances or safety so require. The organizer reserves the right also possible to connect all or part of classes if there are conditions, safety or for any other reason to take.

8. Advertising

Organizer ads: The organizer wants to reserve 3 small spaces from the competition cars for Porsche Club Festival 2022 for ads. The organizer's advertising space is 3 pieces and measurements 110mm x 200mm. The organizer's ads must be attached to the racing cars at the latest on the inspection.

9. Competition

The course of the competition and the way in which each competitor participates in the competition according to the rules.

9.1 Arrangement of the competition

The competition follows the published timetable on the notice board. Each competitor must make sure that he arrives in time before his or her race session to arrange the exit to the pitlane. Every competitor must have a person who comes to the grid area to show the competitor his place at the starting grid. This person must be available well ahead of the competitor's starting line-up area at the pit lane gate in order to get possible instructions from the pit lane officer.

10. Inspection

Method of performing the technical inspection according to the own rules of the class of each participating class. The inspections take place at each of their own pre-announced inspection points, under the guidance of class inspectors. Possible follow-up inspections are done in the Parc Fermé area or in a manner that can be stated separately.

11. Results

The results of the competition can be found at AKK's KITI web service and at www.prcf.fi. The organizer has the right to combine the categories of competition wholly or partially if necessary. If classes are combined, it will be announced by additional race order at the time of publication of the approved list or at the latest on the official notice board of the competition day morning on 27th of August at 09:00 latest.

12. Awards

Awards are going to be trophies or items. The exact amount of prizes will be indicated on the official notice board of the competition, by 27th August 2022 at 09:00 am.

12.1. Award ceremony

This year's award ceremony will directly after every race, next to Parc Ferme.
