INSURANCE

Each car that takes part in the Rally must have a Finnish traffic insurance. Competitors outside Finland must declare upon the registration of entries whether they want the organizer to handle the insurance, which costs 55 €. The insurance cost can be added to the entry fee. Chassis number must be declared upon registration.

8. HANDING OF COMPETITOR MATERIAL

Competitor's identity will be subject of inspection upon the collection of competitor material.

Competitors in classes 1-20 are handed a road book that indicates the detailed itinerary, which is to be followed precisely, 2 x road maps, competitor numbers, timing cards, reconnaissance car identifications and GPS tracking device

- Thursday 22.5.2025 between 18:00 and 21:00 at Tintin Tupa, Kuormakatu 17 II krs., 20380 Turku.
- Friday 23.5.2025 between 7:00 and 10:00 in Rally Office at Rally HQ.

Competitors in classes 21-23 are handed a road book, 2 x road maps, competitor numbers, timing cards, and GPS tracking device from the Rally Office before Safety Scrutineering either on Friday or Saturday. These classes are allowed to book the Safety Scrutineering for Friday.

Handing of timing transponders on the starting area for all competitors

9. RECONNAISSANCE

Reconnaissance begins on 23.5.2025 at 8:00 and ends on 23.5.2025 at 18:00. Reconnaissance allowed for classes 1-20.

Reconnaissance on Special Stages 1 and 2 is limited to 23.5.2024 between 14:00 to 18:00.

Only two (2) reconnaissance per special stage including the stages that are driven twice.

GPS tracking devices are given with the reconnaissance material, and they must be in use for the whole duration of the reconnaissance. The competitors must have a USB power outlet in his/her reconnaissance car for the GPS device and it must be powered for the whole reconnaissance. After the reconnaissance, before the competitor's starting time for the section 1, the driver must move the GPS tracking device to his/her rally car.

Organizer provided two (2) reconnaissance car identifications must be fitted in the middle and up of the windscreen and to the right back side window and must be visible for the whole reconnaissance time.

The speed limit of 80 km/h is valid on all Special Stages during the reconnaissance unless a lower limit is indicated by traffic signs or signs placed by the organizer. Driving during the reconnaissance must not endanger or inconvenience other traffic or people close by.

Driving in the opposite direction of the special stage is prohibited by the organizer.

The identifications on the reconnaissance cars must be removed immediately after the end of the reconnaissance period. Cars used in the reconnaissance must not be parked on the service area after the end of the reconnaissance. Upon breaching these rules, the competitor will be penalized with a 100 euro fine. In case of repeated breaches, the competitor may be penalized further.

10. COMPETITOR NUMBERS AND ADVERTISEMENTS

The competition number bases used in the Rally are according to the FRC Regulations.

Advertisements in the competitor numbers: Red Devil

Championship Rally windscreen advertisement: According to the rules of the FRC. Classes 8-23 windscreen advertisement is open.

Other Advertisements according to the rules of the FRC

11. SAFETY SCRUTINEERING

Safety Scrutineering will be held in Turun Ammatti-Instituutti, Kuormakatu 17, 20380 Turku.

Scrutineering area has a trailer parking area. The area has no active security.

Inspection of the rally car documents is done online. Competitor must send either scanned or photographed documents no later than 20.5.2025 at 18:00 local time to rallismkatsastus@autourheilu.fi the following documents:

- Scrutineering card page 1 and page 2
- Homologation form or pass page 1
- Road inspection confirmation or a document of a passed roadworthy inspection
- Rally car transfer permit or registration
- Safety cage homologation/certification form page 1
- Catalysator certificate page 1

Safety scrutineering ends 10 minutes after the last booked scrutineering time. In case a competitor wishes to change his/her scrutineering time after the closing of the booking system, contact Chief of Scrutineering Juho Laaksonen phone +358 41 527 2099 juho.laaksonen@turunua.fi. Organizer imposes a 50 € fee in these cases.

The noise level of the competitor's car is inspected during the Safety Scrutineering. The noise level is 103db/3500 rpm.

Changing a sealed part during the Rally

If a competitor wishes to change a sealed part during the Rally, he/she must contact Chief of Scrutineering Juho Laaksonen +358 41 527 2099

12. TIRES/CHASSIS

Contrary to the FRC regulations, classes 1-6 and 8-15 and class 18 can use up to 10 tires.

During the rally the use of two (2) of these tires is restricted to only Friday 23.5.2024 on special stages 1 and 2. These tires must be marked in the tyre code form's first two rows with an extra marking "PE".

The make and model of the tyres used in the competition are unrestricted as long as they comply with the FRC regulations. However the tyre make, model (surface tread) and the diameter of the rim used on Friday 23.5.2025 has to be the same as in the tyres used on Saturday 24.5.2025. This applies to classes 1-6, 8-15 and class 18.

The competitor may have up to two spare tires in the car.

Competitors must deliver the organizer a list of all the tyres to be used in the rally by filling the series tyre code form in accordance to the FRC Regulations. The form must be returned no later than Friday 23.5.2025 at 18:00 local time via email to rallismkatsastus@autourheilu.fi, the subject of email must be the competitor number and the name of the 1st driver. The tyre code form is found on the Official Notice Board. The list must contain barcode/FIA-code, tyre make and model (for example, Michelin M80, Pirelli K4) **NOTICE! In example, not Pirelli Sottozero!**

In case the competitor has tires that are missing the FIA Barcode or the barcode is located only on one side of the tyre, contact Chief Scrutineer Juho Laaksonen phone number +358 41 527 2099 the day before the start of the Rally at latest.

The usage of a special chassis (springs and shock absorbers) made for tarmac driving is prohibited. Anti-roll bars according to the class regulations.

13. START

Entry list will be published according to the programme on the official notice board.

An international time card is used.

Start times are with one minute intervals on 23.5.2025 beginning at 19:30 for classes 1-20.

Section 2 start times are published Friday evening as scheduled in programme.

Route given in the Road Book must be followed on the liaison sections, under penalty of exclusion by the Clerk of the Course.

14. TIMING CARDS

Timing cards are a separate document and are given together with the competitor material. Timing cards are meant for the personal use of the competitors. Writing markings and notes on the timing cards is allowed.

Timing card is not to be handed to the officials. The competitors indicate their willingness to hand out the timing card to the official by putting the timing card against the window. The officials nod to indicate that they have notified the timing card, and write the time on a big whiteboard that corresponds to the competitor's timing card and show the board to the competitors. The competitors write the time/times to their timing card and indicate that they have received the information by putting their thumbs up.

15. SERVICE AND REGROUP

Centralized Service Park is used in the Rally, servicing in anywhere else is prohibited.

Service Park will be opened on Friday 23.5.2025 at 10:00 local time.

The parking of the reconnaissance cars in the service area is not allowed.

Servicing during the rally is done according to the following:

On Friday after SS2 there is a possibility for service in the service park, duration 10 min, included in the liaison time. Parc Ferme in is without predetermined time.

Service A 15min, service B 30min, service C 20min in the service park.

Flex service is in use in services A, B, and C.

The rally does not contain a regroup. The possible reduction of the starting intervals is done in the flex services B and C

Shared service areas and other wishes regarding the service area must be sent

No later than 13.5 at 21.00 to Erkkä Rike erkka.rike@turunua.fi

Hyötyautot

16. REFUELING

Refueling is allowed on the service stations indicated on the road book and the refueling areas marked by the organizer.

The refueling area is located near the service park for the competitors refueling from their own equipment.

17. Special regulations

On Saturday 24.5.2025 after time controls AT2C, AT4B, and AT6B in the liaison is an area where the possible competitor interviews are to take place. The competitors are obligated to stop if asked. Interview time approx. 5min is taken into account in the liaison times.

18. RESULTS

The provisional results will be published by class according to the schedule in the Rally Guide on the Official Notice Board. The official results will be found on the Official Notice Board and KITI portal.

19. PRIZES AND PRIZE GIVING

The number of awarded competitors will be published at the Official Notice Board.

The prizes will be given to the both competitors according to the provisional/official results.

WELCOME!
