## 1. elokuuta 2020

The maximum speed limit is 80 km/h during reconnaissance on all special stages, unless a lower limit is indicated by traffic signs or signs placed by the organiser. The organizer will control used speeds as well as the manner of driving during reconnaissance. Also, the police will make checks along the route and will penalise for traffic infringements according to Finnish Traffic Law.

The competitor must drive in a manner that does not endanger or inconvenience other traffic or people living near the stages.

At the special stages you must also obey the STOP-signs which organizer has placed to the dangerous crossroads. Reconnaissance is allowed only by the direction used in the competition.

NB! Competitor is responsible for the damages caused during reconnaissance!

### 3 During competition

#### 3.1 Start of the competition

Start area is located in front of the Kokkola City hall doors in the end of the marketplace according to the map. Competitors are asked to arrive to the start area half an hour before their own starting time where they receive their time transponders.

Competitors will get their time card from the start of the competition.

#### 3.2 Special stages

Start to special stages happens with automatic lights (in every minute).

A false start will be informed to the competitor at the end of the special stage.

#### 3.3 Service

Service is after SS4 in the service area surrounding the Kokkola City hall.

Time card 1 is replaced at the AT4C to Time card 2. Please notice that in the Time card 2 which you receive from AT4C is the arriving time to AT5A (includes service and driving time) where competitor is free to leave after service. Service time is no less than 20 minutes and driving time from service to AT5A is approx. 35 minutes.

#### 3.4 Remote service

In the competition there is one remote service area at ST1 Kälviä Kaffel parking lot where it is possible to service between special stages 1-2 and 5-6 road section. Service time is approx. 10 minutes which includes time used in refuelling. **Refuelling must happen in the pump are also when you are refuelling from your own cans!**

Please notice the equipment specified in the regulation book when doing service. Competitors service is allowed to enter to the service area maximum 5 minutes before their competitor arrives to the service.

Competitors arrive to the service between special stages 1-2 approx. 60 minutes after start of the rally.
