

COMPETITOR INSTRUCTIONS

URJALAN UA

FOR COMPETITORS

We welcome all competitors, their service crews, and partners to the Tampereen Lattiamestarit Rally for an enjoyable summer race day in the Pirkanmaa region.

This rally is a joint pilot project organized by AKK and HaMu, in collaboration with Urjalan Urheiluautoilijat Ry and Satapirkan Ralliseura Ry.

The event comprises two separate competitions sharing the same route and safety organization.

While the competitions are conducted according to their own respective rules, insurance policies, and officials, the event itself operates under shared official permits.

The goal of this pilot project is to improve how competitions are organized and to foster cooperation among the various parties involved.

NOTICE BOARD

The official notice board for the competition is the digital notice board provided by the SPORTITY mobile app.

The notice board can be found in the SPORTITY mobile app; the password is Lattiamestarit2026.

The official event time is available in the SPORTITY app.

Users logged into the event's messaging channel will automatically receive push notifications regarding new announcements. The digital notice board, rules, competitor instructions, supplementary regulations, announcements, the official event time, and links to online results services can all be found in one place within SPORTITY.

If you are already a SPORTITY user, tap the three-horizontal-line icon in the top-left corner of your mobile device to open the

"My channels" window. Tap "+add new" and enter the password "Lattiamestarit 2026" in the "password" field. Tap "Sign in," and you will be subscribed to the Lattiamestarit Rally's digital SPORTITY channel.

If you haven't started using the SPORTITY app yet, download it for free on your mobile device from the App Store (iPhone) or Google Play (Android).

Once you have downloaded the SPORTITY app, open it and log in to the competition's digital notice board. Enter the password ****lattiamestarit 2026**** in the "Password" field and click "Sign in".

Document verification is conducted electronically.

The competitor must submit the following documents:

The forms available under the "Attachments" section for the Tampereen Lattiamestarit Rally in the Kiti competition service, along with scanned copies of the vehicle registration certificate/temporary transfer permit,

the scrutineering card (both sides), and the title page of the homologation document/Historic passport or V1600 passport

(plus entrant license, if applicable), and send them to the event organizer at: lattiamestarit2026@gmail.com

Please note Rule Art. 8.5 regarding any changes to competitor details.

If the information is reported to the competition secretary by 18:00 on Wednesday, 15 July 2026 (the Wednesday preceding the competition), a change fee of €35 will be charged. For changes reported after this deadline, the competition organizer will charge a fee of €50.

ARRIVAL AT THE COMPETITION

Upon arrival at the competition venue, proceed first to the trailer park to unload your equipment.

Afterward, move to the service area (see map below) and follow the officials' instructions.

No extra vehicles are permitted in the service area.

DOCUMENT CHECK AND DISTRIBUTION OF COMPETITION MATERIALS

The following are checked during registration:

- Driver's (1st driver) driving licence
 - Co-driver's (2nd driver) proof of identity (driving licence, passport, or photo ID card issued by the police)
 - For the Junior class: proof of identity for the driver (1st driver) and driving licence for the co-driver (2nd driver).
- ☐ Vehicle documents (for those who did not submit the materials electronically on time)

Competition materials include:

- Road book
- Route maps (2 copies)
- Scrutineering report
- Competition number decals for the rally car and service vehicle
- Identification markings for the recce car

The time card is issued at the start of the competition once the vehicle has successfully passed safety scrutineering.

TIMING

The numbered transponder and GPS tracking device are issued during scrutineering, and receipt must be acknowledged at that time.

Upon reaching the finish, the transponder and tracking device must be handed over at the finish Time Control (TC).

Competitors who retire from the race must hand over the transponder and tracking device—along with a retirement notification—to the Special Stage (SS) organizer for transport to the competition office via the recovery vehicle.

The competitor pair is responsible for the transponder.

The fee for a transponder lost or damaged by a competitor is €200.

TRAILER PARKING AND UNLOADING AREA

The trailer parking and equipment unloading area are located at

Elotie 2, 33470 Ylöjärvi (map below)

SAFETY INSPECTION

Ylöjärven Rengas-Set

Vaihtotie 1, 33470 Ylöjärvi (Map below)

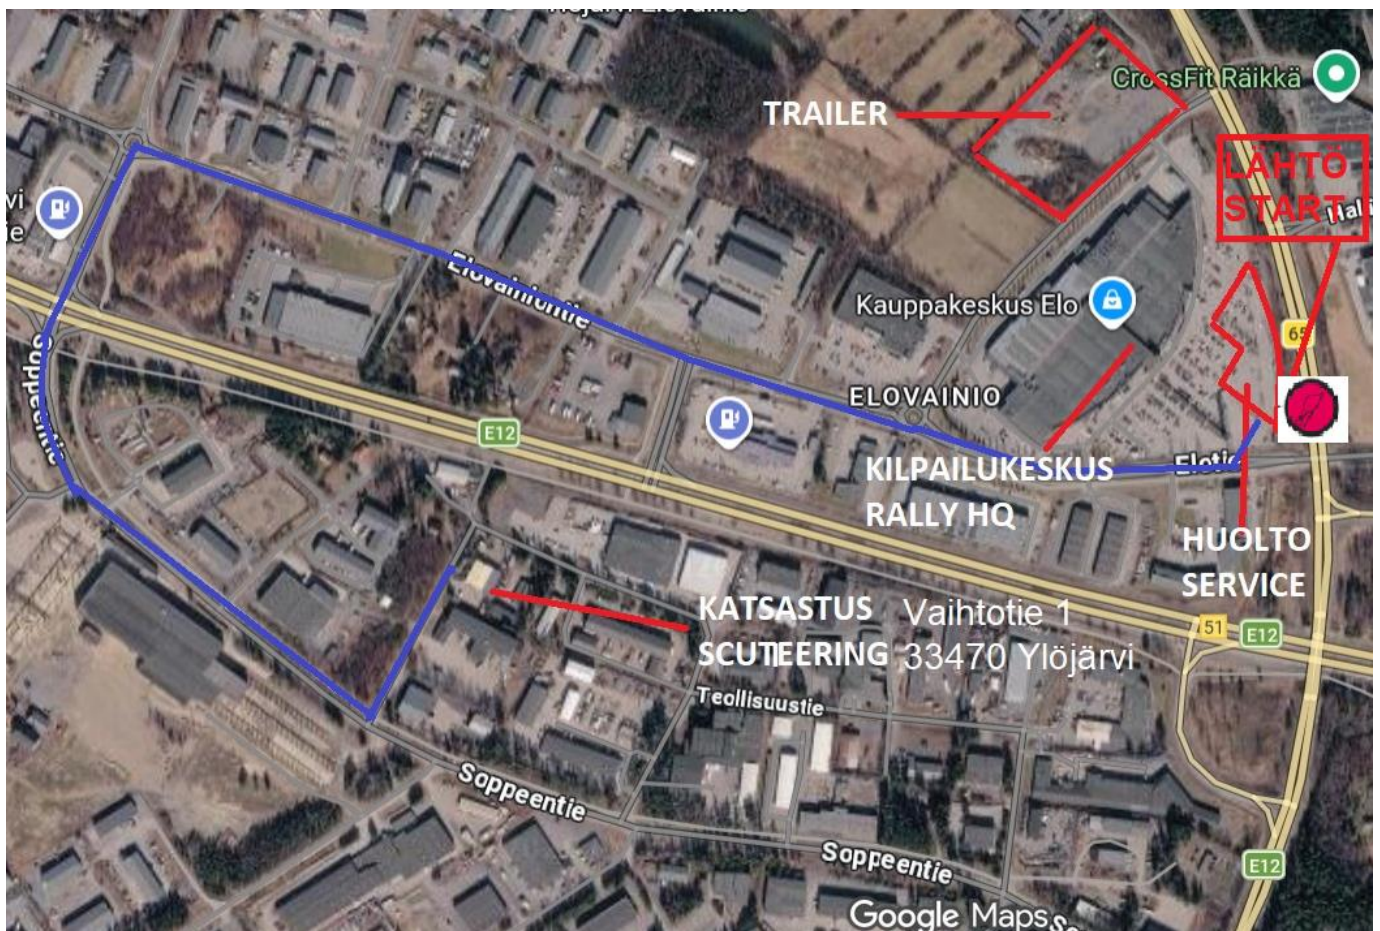

Saturday, July 24, 2026, at 09:00

The inspection schedule follows numerical order, starting at 09:00.

Class 8 cars will be inspected first.

"0-cars" (zero cars) are to report for safety inspection at 08:30. Safety inspection concludes 10 minutes after the inspection of the final competition number is completed.

Chief Scrutineer Markku Jalonen +358405461515

START

The start takes place from the competition center area at 11:01.

The list of competitors cleared to start, including their start times, will be available on the official competition notice board starting at 10:00—following successful completion of the safety inspection—and will be updated every half hour.

Competitors cleared to start will receive their time card at the competition's start Time Control (TC).

An international-style time card is used in this competition.

The difference compared to a national time card is that the specified driving time includes the time taken for the special stage (SS)—specifically, the time from the SS start to the next TC.

A sample of how to fill out the international-style time card can be found on the official competition notice board (via the Sportity app).

ROUTE AND REFUELING

Refueling at service stations marked in the road book.

Can refueling: At the Neste Elo and SEO Kuru forecourts.

Start – Neste Elo:	SS 23.4 km	Road section 32.36 km	Total 55.82 km
Service Elo–SEO Kuru:	SS 10.00 km	Road section 41.93 km	Total 51.93 km
Service Kuru–Neste Elo:	SS 18.05 km	Road section 58.87 km	Total 76.92 km
Service Elo – SEO Kuru:	SS 10.00 km	Road section 41.93 km	Total 51.93 km
Service Kuru – Finish:	SS 18.05 km	Road section 58.87 km	Total 76.92 km

SERVICE

Service takes place at the event center after SS 2/5; service duration

(included in the liaison time): Service 1 approx. 40 min, Service 2 approx. 20 min.

Remote service option (included in the liaison time) after SS 3, 4, 6, and 7 at Tredu, Metsätie 1, Kuru.

GUIDELINES FOR THE USE OF LIGHTWEIGHT, QUICK-ASSEMBLY, AND POP-UP TENTS AND CANOPIES IN THE SERVICE AREA

These guidelines apply to calm or light-wind conditions. Canopies must not be used during strong winds or thunderstorms. Teams using a service tent or similar lightweight canopy are required to use a minimum weight of 45 kg per tent leg. Please note that anchoring canopies to the ground (asphalt surface) is prohibited. If sufficient weights are not used, the tent must be dismantled. Compliance is monitored by the Service Area Manager and the authorities. The official guidelines approved by the Finnish Safety and Chemicals Agency (TUKES)—which must be followed—are available on the competition's official notice board (via the Sportity app).

If your equipment does not fit the area reserved for you, please contact
Jari Säteri +358400872503

FINISH

The race finish is located at the event center.

AWARDS

The list of award recipients is posted on the notice board.

Awards will be presented indoors at the Elo Shopping Center after the finish, based on unofficial results.

All award recipients must be present. Absence is permitted only with the permission of the Race Director.

RESULTS

Race results can be printed from the KITI system (<https://akk.autourheilu.fi>) and the MUT-PALVELU website (www.mut-palvelu.fi).
