BULLETIN BOARD

The official notice board used in the competition is the electronic bulletin board, the SPORTITY mobile application. The bulletin board can be found [behind this link](https://webapp.sportity.com/event/HYA2026/960a76c3-72a6-49d7-bb39-59b657d7d6bf) <https://webapp.sportity.com/event/HYA2026/960a76c3-72a6-49d7-bb39-59b657d7d6bf> and in the SPORTITY mobile app, password **HYA2026**

The official time of the competition can be found in the SPORTITY app.

A user logged in to the competition's message channel will automatically receive a notification of new announcements with pop-up messages. The electronic bulletin board, rules, competitor instructions, additional regulations, announcements, official race time and links to online results services can be found in one place in SPORTITY.

If you are already a SPORTITY user, click on the three horizontal lines symbol in the upper left corner of your mobile device, which will open a new window "My channels". Click on "+add new" and enter the password **HYA2026** "password". Click on "Sign in" and you will be a follower on the HYAcenter rally's electronic SPORTITY channel.

If you haven't started using the SPORTITY app yet, download it for free on your mobile device from the Appstore (iPhone) or Google Play (Android).

Once you have downloaded the SPORTITY app on your mobile device, open the app and log in to the competition's electronic bulletin board. In the "Password" section, enter the password HYA2026 and click "Sign in".

The paper inspection is done electronically.

The competitor must submit the following documents scanned: registration certificate/transfer permit, inspection card (both sides), front page of the classification certificate/historical passport or V1600 passport, (advertiser licence if necessary) and send them to the competition organiser at: pr.rallit@gmail.com **29.6.2026 at 18.00.**

The pre-familiarisation, maintenance information and announcer forms can be found in the KITI system and must be sent to the competition organiser at the address at the bottom of the form pr.rallit@gmail.com no later than **29.6.2026 at 18.00**

If there are any changes to the competitors' information, please note the rule (Art. 8.5).

If the information is reported to the secretary of the competition no later than the Wednesday before the competition, 1.7.2026

by 18:00, a change fee of 35 € will be charged. For changes made after this, the competition organizer will charge 50 €.

ENTERING THE COMPETITION

When you arrive at the competition site, first head to the trailer park to unload the equipment. After this, move to the service area, follow the instructions of the officials. **There must be no extra cars in the service area.**

DOCUMENT REVIEW AND DISTRIBUTION OF COMPETITION MATERIAL

When registering, the following are checked:

- 1-Pilot Driver's License
- 2-Identity of the instructor (driver's license, passport or photo ID card issued by the police authority)
- Identity of the 1st instructor in the youth class and the driver's license of the 2nd instructor.
- Checking the car's papers for those who have not submitted the material electronically on time

The competition material includes:

- Road book
- Route map 2 pcs
- Inspection report
- Number stickers for racing cars and service cars
- Codes for the pre-familiarisation car

The time card will be issued at the start of the race, when the car's safety check has been passed.

RECCE

Special stage 1/3 can be viewed between 8:00 and 10:15. The special stage has a long loop again to the start of the special stage, so you can drive a section of the big road against the grain with caution. Going around the small road according to the instructions.

Special stage 2/4 can be viewed between 8:00 and 10:30.

TIMEKEEPING

A numbered transponder for timing is available in the start queue before the start time and it is acknowledged at the same time. Upon reaching the finish line, the transponder is handed over to the target TC.

Dropouts submit the transponder with the interruption notification to the SS organiser or the sweeper with the demolition truck to the competition office. The responsibility for the transponder lies with the competitor pair. Compensation of a competitor for a lost or broken transponder is 200 €.

TRAILER PARK AND UNLOADING SITE

The trailer park and the equipment unloading site are located in Ideapark.

SAFETY INSPECTION

Saturday 4.7.2026

Easy inspection, Ideaparkinkatu 2 37570 Lempäälä

The inspection schedule is in the order of arrival from

10:30-11:00	Numbers 1-25
11.01-11.30	Numbers 26 to 50
11.31-12.00	Numbers 51 to 80

0-cars will come to the security check at 10.15 a.m.

The safety check ends 10 minutes after the last race number check has ended. Inspection Manager Heikki Valkama +358405104840

START

The start takes place in the area of the competition centre.

The list of those entitled to start with the start times can be found on the official notice board of the competition after a successfully completed safety check from 11.00 a.m., which is updated every half hour.

From the starting TC, you will receive a sweet surprise with the password 'Haganol'.

The timecard will be given to competitors who are eligible to start at the start of the race.

ROUTE AND REFUELING

Refuelling at the petrol stations marked in the road book.

Huolto-St 1 Lempäälä	SS	23.43 km	Displacement 52.87 km	Total 73.30 km
Maintenance Finish	SS	23.43 km	Displacement 62.47 km	Total 85.90 km

MAINTENANCE

The maintenance of the rally is after SS 2, maintenance time approx. 20 min.

There is a speed limit of 20 km/h in the service area, be considerate of other road users and take special care.

Our service facilities are limited, we have reserved a service area for each competitor pair 7.5x10 m area.

INSTRUCTIONS FOR THE USE OF LIGHTWEIGHT, QUICK-RELEASE AND POP-UP TENTS AND LIGHTWEIGHT CANOPIES IN THE SERVICE AREA

The instructions are for calm and light windy weather. In strong winds and thunderstorms, canopies must not be used. Teams that have a service tent etc. light-structured canopy, is required to use at least 45 kg weight per tent leg. Please note that canopies must not be anchored to the ground (asphalt surface). If there are no sufficient weights, the tent will be ordered to be dismantled. The service area manager and the authority supervise the matter. Attached to these competitor guidelines (pages 9–13) is an approved guideline issued by the Finnish Safety and Chemicals Agency (TUKES), according to which we are obliged to act.

If your equipment does not fit in the area reserved for you, please contact Service Area Manager Tommi Wirtanen +358452748585 by 29.6.2026.

See the rules section 9 Maintenance

FINISH

The finish line is located in the competition centre.

Upon reaching the finish line, the fastest in the classes will be rewarded.

PRIZES

The list of awardees can be found on the notice board.

Prizes will be awarded at the finish line according to unofficial results.

Each prize winner must be present. You can only be absent with the permission of the race director.

RESULTS

The results of the competition can be printed online from the KITI system: <https://akk.autourheilu.fi> and From the MUT SERVICE website www.mut-palvelu.fi

SOCIAL FACILITIES

At the competition centre
