3rd infringement: exclusion from the event by the decision of the Clerk of the Course

## 9. REFUELLING

Refuelling is allowed only at the petrol stations marked on the roadbook or otherwise guided by the organiser according to the FRC regulations. On the rally route there is 3 refuelling locations, Refuelling from own containers must be done at separate refuelling areas as marked on the roadbook.

Fuel and Technique –form for classes 1-4 **must be returned to the Rally Office on Friday morning in connection with the administrative checks.**

**Refuelling at any other places is strictly forbidden.**

## 10. RECONNAISSANCE

Starting on Friday August 19, 2016 at 7:00am reconnaissance material and the reconnaissance tracking device for competitors in classes 1-11 can be collected from the Rally Office at Turku Fair and Congress Center. At registration, each competitor must give the organiser details of the car used for reconnaissance and contact details of his/her mobile phone. At the administrative checks/registration for reconnaissance both drivers must present drivers' competition and driving licenses, competitor/entrant license, and authorisation for the drivers by their ASN to take part in the rally. Both drivers have to present their licenses and other documents personally.

Identification signs (2 pcs) for the reconnaissance must be affixed on the reconnaissance vehicle in up and center of the vehicle's windscreen and on the right side window on the back of the vehicle. The signs must be visible throughout the whole duration of the reconnaissance. **Competitor must reserve a suitable USB power supply for the tracking device and the tracking device has to be online during the reconnaissance session.**

On special stages the speed limit is 80 km/h unless a lower limit is indicated by traffic signs or signs placed along the route by the organiser. The competitors must drive in a manner that does not endanger or cause inconvenience to other traffic or people living near the stages. Under no circumstances may crews drive in the opposite direction of the rally in a special stage. Organiser will control the traffic during the reconnaissance

paying attention to the manner of driving as well as to the speeds used. Police will also control the reconnaissance and will penalise competitors for infringements according to the Finnish Traffic Law.

Competitors are, under pain of refusal to start, obliged to stop should Rally Officials with official plates request them to do so.

Reconnaissance starts Friday 19 August 2016 at 8.00am and ends at 6.00pm. **The maximum number of passages on each SS for reconnaissance is limited to two per crew. This applies also to the SS's which are driven twice.**
