**Welcome to City of Tampere !**

# **1 General Information**

## **1.1 Greetings from Clerk of the Course**

Tampereen Urheiluautoilijat will be 60 years old this year. And we don't know better way to celebrate this remarkable age than with this final competition of the FRC.

FRC classes 1 and 2 have winners already but other classes and places have the competition still going strong. And that is good!

Number of entries is very pleasant. Swedish Volvos (VOC) will bring really nice win to the competition. Total number of nationalities is 8 and that is really great thing. We welcome you all!

This rally is also Henri Toivonen memorial competition. Among other things "Henkka" is in our memories with SS which is named after him.

**Have nice and speedy fall day with our rally!**

Mrs. Pirkko Ylitalo  
Clerk of the Course
