7. Responsibilities and reservations

Each competitor takes part in training and competitions at his / her own risk.

The Promoter shall not be liable for any damage that may occur to the competitor or his equipment or which he causes to another person or their property.

The competitor is responsible for the fact that he, his assistant and team members are familiar with and comply with the national rules on racing, speed racing rules and competition rules, the rules of his own class and the competition rules mentioned therein, the competition announcement published after the end of the registration and any subsequent releases to be distributed later.

The organizer is entitled to transfer, revoke or suspend the competition, if circumstances or safety so require. The organizer reserves the right also possible to connect all or part of classes if there are conditions, safety or for any other reason to take.

8. Advertising

Organizer ads: The organizer wants to reserve 3 small spaces from the competition cars for Porsche Club Festival 2018 for ads.

The organizer's advertising space is 3 pieces and measurements 110mm x 200mm.

The organizer's ads must be attached to the racing cars at the latest on the inspection.

9. Competition

The course of the competition and the way in which each competitor participates in the competition according to the rules.

9.1 Arrangement of the competition

The competition follows the published timetable on the notice board. Each competitor must make sure that he arrives in time before his or her race session to arrange the exit to the pitlane. Every competitor must have a person who comes to the grid area to show the competitor his place at the starting grid. This person must be available well ahead of the competitor's starting line-up area at the pit lane gate in order to get possible instructions from the pit lane officer.

10. Inspection

Method of performing the technical inspection according to the own rules of the class of each participating class. The inspections take place at each of their own pre-announced inspection points, under the guidance of class inspectors.

Possible follow-up inspections are done in the Parc Fermé area or in a manner that can be stated separately.

11. Results

The results of the competition can be found at AKK's KITI web service and at www.prcf.fi. The organizer has the right to combine the categories of competition wholly or partially if necessary. If classes are combined, it will be announced by additional race order at the time of publication of the approved list or at the latest on the official notice board of the competition day morning on 25th of August at 09:00 latest.

12. Awards

Awards are going to be trophies or items.

The exact amount of prizes will be indicated on the official notice board of the competition, by 25 August 2018 at 09:00 am.

12.1. Award ceremony

This year's award ceremony will also be held at the Porsche event hall on the upper paddock. The prizes of main competition categories and Concours D 'Elegance awards will be awarded at the same awards ceremony.

A more detailed timetable for the award ceremony will be announced on the 25 August 2018 schedule.

The Class prizes will be awarded on evening of August 25th at the "Porsche Festival Paddock Party" in the lower paddock restaurant.

All competitors participating in the competition must participate in the main awards ceremony. For compelling reasons, only the director of the competition or the competition event director can be issue a permit to skip the award ceremony.
