1.1 FROM THE CLERCK OF THE COURSE

Dear partisipant of SM O.K. Auto Rally

Welcome to wintery SM O.K. Auto Rally!

This year the route is completely different than last year. The rally will be driven in the fast and diffucult roads of Tuohikotti, Elimäki and Luumäki. The start and service park are located in the Kouvola Ravirata where the audience special stage will also be driven on Friday evening. The finish and price giving will be at Sokos Hotel Vaakuna. We are expecting an exiting rally! New this year are the Finnish Championship junior classes that will be driven just after the Finnish Championship classes.

We are proud of our seniors and newer members here in Kouvolan Seudun Autourheilijat for making SM O.K. Auto Rally happen for the 15th time. We have the fastest drivers in Finland and some international competitors for example from Italy, France and Russia.

The support of sponsors and the land owners are vital to the rally, they make the rally with us. We have had a good co-operation wiht puplic officers and the city of Kouvola. We also have over 700 voluteers here making this rally happen. A big thank you to you!
