Welcome

Our route grew has build great route again, with very different kind of stages. Fast and wide, but also much slower and narrow and finest road, what can be found in southern Finland. Day will be long, with some road sections also, so timetable in road sections has been made little tighter. But sure no need do any overspeeding, will be enough time for sure.

To get this kind of rally done, needs lot of hard work and hours of volunteers, co-operation with companies and other clubs.

Big thanks to them and sure to you also, competitors. Without you, there is no rally either. We have arranged "meet and greet"-happening in the start of rally, where you can meet spectators and promo yourself with fan cards etc.

Hope you can enjoy about it and also get some advance to yourself. And when summer is coming, there might be tractors etc. going to fields, so please be careful in reconnaissance. Saturday enjoy great stages and push flat out. Still road section can be taken carefully.

Welcome to Riihimäki!

Teemu Arminen

Clerk of the Course
