1 DESCRIPTION OF THE RALLY

- SPEECH OF THE CLERK OF THE COURSE**

Dear SM Pohjanmaan Rally competitor.

Welcome to Pohjanmaa rally, to the capital of Ostrobothnia Seinäjoki.

This year, the route was partly remade, because there is multiple rallies held in the same area.

As our rally office for this year too, works Hotelli Sorsanpesä, where also start of the rally is located.

Rally scrutineering and service is centralised at Rengastien Autotarvike and location for refueling for the whole rally is at ST1 ylistaro.

On Friday, three (3) special stages are driven, on the special stage one the VIP-area and also the permitted spectator areas are located.

This year Also Young class is included, who will drive only three (3) special stages on Friday and arrive at finish to Rengastie, right after Finnish championship classes, when other classes come to the service on Friday.

Also the extra classes driving on Saturday leave from the service area at Rengastie.

We are arriving to the finish at the Hotelli Sorsanpesä on the Saturday afternoon where also the prize giving ceremony is being held.

Affiliate's, owners of the lands and roads, and also the numerous people working voluntarily, are extremely important, because they create the framework for this rally with us. With the Police, City of Seinäjoki and affiliates arrangements have been made in good spirit. This year we have invested alot of thought on the safety of the audience. I wish to all of the competitors speedy, but safe competition and also to the audience and to all friends of motorsports fun times and memorable rally experience from safe viewing locations!

Erkki Hemminki

Clerk of the course

2.2 PARKING RACE EQUIPMENT

There is reserved area for the transportation equipment (trailers etc.) at Ravikeskus (Ravitie 9, 60120 Seinäjoki) in close proximity of the service area. Area is open for competitor's use from Thursday 13th of June **9:00pm**.

Race equipment is to be parked to the borders of the area in a row, in such fashion that driving lane in the middle of the area stays clear!

Area is in close proximity to Safety scrutineering area and Friday's service park. There is no guarding at the area.

Trailers are not allowed to be brought to Rally office/ service park/scrutineering parking areas!

2.3 COMPETITORS DRESSING AND WASHING AREAS

There are dressing and washing areas reserved for competitors on Friday 14th of June in Hotelli Sorsanpesä 6:00pm – 12:00pm and on Saturday 15th of June 5:00pm-8:30pm

2.4 SAFETY TRACKING DEVICES – DEVICES COLLECTING AND RETURNING

Safety tracking devices are given to competitors of classes 1-12 from the Rally office on Thursday 13th of June from 6:30pm-8:30pm and on Friday 14th of June starting from 6:30am while handing out the reconnaissance material. With the safety tracking devices, there will be USB-port compatible charging cable. Competitors must keep the safety tracking device plugged to a charger during reconnaissance - with this we ensure that the safety tracking device works during the evenings special stages and transferring periods. Competitors of classes 13-23 collect the safety tracking device from the rally office hour before their own starting time. Safety tracking devices are collected on Friday, for class 13 at TC: 3C and for classes 1-12 and 14- 20 at night parc fermé TC 3E, competitors themselves remove only the device, the button stays in its place. **EVERY DEVICE MUST BE GIVEN FOR OVERNIGHT CHARGING**, attention! Especially the competitors retired on Friday, who are continuing on Saturday.

On Saturday 15th of June safety tracking devices are given to classes 1-12 and 14-20 30 minutes before their starting time at rally office and for classes 21-24 60 minutes before their starting time. Devices will be turned on when they are given. Safety tracking device can be collected by the driver or a member of their team in exchange for a signature. Device is installed on the car according to the instructions and it doesn't require electric connection or other preparations. The devices are collected on Saturday at finish-TC at Hotelli Sorsanpesä.

If the competitor retires, the device must be brought to rally office or on route with retirement notice to a TC station or demolition car.

2.5 DESCRIPTION OF THE RALLY AND SERVICE

2.5.1 Competition part 1 start (classes 1-20)

Start for the part 1 of the rally happens at Hotelli Sorsanpesä on Friday 14th of June starting at 7:01pm. Before starting, competitors must make sure that they have collected GPS-tracking device and Timing device from the rally office according to the rules. At the start of the competition there is a gathering area where we hope you arrive 10 mins before your starting time. From the collection area the organizer will assist the competitors under the starting arc at Hotelli Sorsanpesä once a minute. Starting list with starting times is published at official board at www.pohjanmaaralli.fi. Time card is given to competitors at Hotelli Sorsanpesä Start.

2.5.2 Retiring and night break

If a competitor retires in the part 1 or his/her right to start the part 1 is denied by the Clerk of the course the competitor has the possibility to try to repair the car and participate in the part 2 of the competition. Competitor must inform in writing their willingness to continue the competition before Friday 14th of June 11:59pm, safety scrutineering will be done to these competitor's cars on Saturday 15th of June 8:00am at close proximity to TC 3F Törnäväntie 24, 60200 Seinäjoki. Performance time for undriven special stage will be the fastest time of their class +5 minutes. For retirement on last transition on the part 1 of the rally, 5 minutes time penalty will be given. Overnight Parc fermé area is on use and is located at SEDU, Törnäväntie 24, 60200 Seinäjoki.

2.5.3 Competition part 2 start

Competitors of classes 1-12 and 14-20 must collect GPS tracking device from the Rally office 30 minutes before their own starting time and classes 21-24 1 hour (60 minutes) before their own starting time. Rally part 2 Starting list with starting times is published at official board at www.pohjanmaaralli.fi 15th of June 8:15am.

Saturdays competitor (classes 1-12 and 14-20) can come to Parc Ferme area to get their car 15 minutes before their own part 2 starting time (TC 3F = Rally part 2 start, TC 3F = Parc Ferme out). TC 3F gives a time card to the competitors with the 2nd starting time.

If the competitor retires on Friday in the part 1 of the rally and wants to continue to the part 2, Safety scrutineering will be performed for the race car close to TC 3F (nightbreak out) Törnäväntie 24, 60200 Seinäjoki, Saturday 15th of June 2019 8:00am. Safety scrutineering must be arranged with chief of scrutineering Timo Brill (phone +35840 0420458). Only cars approved in safety scrutineering will be given starting right to the part 2 of the rally. Part 2 starting order is determined by the starting order of the part 1 of the rally. Competitors retired on the part 1 of the rally who inform that they will continue on the part 2 will also follow the starting order from the part 1. Classes 21-24 will start according to the schedule from service area TC 3G where they also will be given a time card.

2.5.4 SERVICE AREAS AND SERVICE

One service area is used in the competition.

Friday

- Classes 1-12 and 14-20 after special stage 3, 30 minutes, Rengastie 28, 60120 Seinäjoki
- For **class 13** service is on the transferring period between special stage 2 and special stage 3, close to refueling station (JT-Laite), service time is included in the transferring period time.

Saturday

- Classes 1-12 and 14-20 after night Parc Ferme 15 minutes, Rengastie 28, 60120 Seinäjoki

- All classes, After Special stage 6, 40 minutes, Rengastie 28, 60120 Seinäjoki

Service is allowed only on these areas. In other areas crew is allowed only to do repairments using the tools that are in the rally car. Organiser reserves for every competitor a space in the service area according to Finnish rally championship rules. Only one (1) service car for driver/co-driver is allowed at the service area. To the windshield of the service car must be attached "huoltoauto" identifier given by organiser. It must be visible for whole duration of the competition.

If competitor must change pop off valve or turbo during competition, you should contact the person supervising the chaneg Riikka Raatikainen **+358503598510**.

The chief of the service area is Reijo Männistö, phone +358500 869460.

2.5.5 Refueling

Refueling is allowed only in the petrol stations marked in the Road Book (Also from the own container E85, FIA- or two-stroke gasoline). Refueling time is included in the transition period.

2.5.6 Handling fluids in service areas

Because motorsports has to take environmental matters seriously, we ask the competitors and their crew to pay extra caution handling oils or other fluids when doing service on their cars. In the service areas there must be liquid proof cover under the rallycar and the service car. In the service areas handling fuel is only allowed if the car has such malfunction that repairing it requires removing fuel tank and emptying it. This should be done only in the supervision of an official. Precautions must be sufficient and you can only add enough fuel to drive to the refueling area. During these measures other repairs are prohibited. Smoking is allowed in the service area only in the designated areas.

2.6 FINISH AND PRIZE GIVING CEREMONY

Classes 1-12 and 14 - 24

Competition's finish platform is located at Hotelli Sorsanpesä. Before arriving at the finish platform competitors will be guided to the gathering area, where finish-TC (advanc efree) and the collection zone are located. From the collection zone the competitors are arranged to drive to the podium. Driving to the podium happes only on supervision of the organiser's representative. All competitors drive to the finish platform, award winning competitors exit their vehicles, others drive off the platform without exiting their cars.

Class 13

Competitors arrive at the finish TC 3C. After TC award winning competitors will be guided to a separated area to wait for prize giving ceremony. Awards will be given after all the award winning drivers arrive at finish.

At the finish, there is no parc ferme for any class. Objections on race cars must be done before the car in question arrives at the finish. Objections must be made to +35840 5007492.

3.3 RECONNAISSANCE

Reconnaissance for special stages 2-9 will be held on Friday 14th of June 7:00am-5:00pm and for **special stage 1 at 2:00pm-5:00pm.**

Organiser will be performing monitoring of special stages in advance and before reconnaissance will start with trail cameras. The reconnaissance car must have two number identifications given by organiser attached (on the middle of the top border in the windshield and on the co-drivers rear window). They must be clearly visible during the whole reconnaissance. Speed limit of 80 km/h is valid on all special stages during the reconnaissance unless the speed limit is marked lower by the traffic sign or by signs set up by the organizers. Driving during the reconnaissance must not endanger or disturb other traffic or people living close by. The organizer forbids driving in the wrong direction on special stages. The organizer will supervise speed and driving style during reconnaissance. Like many other road users, supervisors will also drive in the opposite direction. Stopping request by the officials marked with the identifiers of organizer, must be obeyed on the threat of refusal of start. Possible overspeeding will be informed immediately by stopping. All special stage reconnaissances will be limited to two (2) times on a special stage, this also applies to special stages driven two times. During reconnaissance tires used must fulfill the traffic code. Attention! Competitor is responsible for damages caused by himself during the reconnaissance.

3.4 TO NOTICE DURING RECONNAISSANCE

During reconnaissance ALL signs marked to the roadbook are in place in the special stages as follows:

- Turning signs etc, signs are at their right locations measured and marked with official signs.
- Check point and interval safety point signs are at their right locations
- TC-, Start-, Finish- and stop- signs are at their right locations and marked with temporary signs.
