8. SERVICES

Service area is located close to the Rally HQ in Kokkola city hall parking lot. In the Rally Guide you are given detailed information about the service and service area maps.

There is a possibility for remote service at ST1 Kälviä Kaffel parking lot between special stages 1-2 and 5-6 road section within the given road section time. In the Rally Guide you are given detailed instructions about remote service which for that part is part of the competition regulations.

Service is between special stages 4-5 in competitions service area. Service time is defined in the Rally Guide which for that part is part of the competition regulations. Competitor arrives to the service area through the Time Control station which the competitor receives the arriving time for the Time Control 5A. The given time includes both service and driving time to the Time Control.

Service vehicles must carry a fire-extinguisher and oil absorbent mat ready for use. There must be also a tarpaulin at least the size of the rally car underneath it. Service vehicles must have also a tarpaulin under the engine bay which prevents oil and fuel leaks to the soil. If you neglect any of these regulations the Clerk of the Course has right to exclude the competitor from the event.

9. REFUEL

Refueling is allowed at the fuel stations marked in the road book excluding vehicles that are using special fuel (RE85, FIA-fuel and 2-T gasoline). These vehicles refuel only between special stages 1-2 and 5-6 within the given road section time at the ST1 Kälviä Kaffel pump area from their own cans. There is also a separate fueling area during service break for these vehicles that are using special fuel.

10. RECONNAISSANCE

31.7.2020 at 12.00 starts the reconnaissance material collecting from the Rally HQ. When receiving and signing the reconnaissance material the competitor must give to the organiser information about the recce car and their phone number during the reconnaissance. The schedule and information concerning the reconnaissance material and document collecting are published in the Rally Guide which for that part is part of the competition regulations.

The two (2) recce car signs which organiser hands to you must be attached to the recce car. One to the top center of the windscreen and one to the right rear window. These signs must be visible for the whole reconnaissance time.

The maximum speed limit is 80 km/h during reconnaissance on all special stages, unless a lower limit is indicated by traffic signs or signs placed by the organiser. The competitor must drive in a manner that does not endanger or inconvenience other traffic or people living near the stages.

Driving against the direction of the rally is prohibited. The organizer will control speeds used as well as the manner of driving during reconnaissance. Also, the police will make checks along the route and will penalise for traffic infringements according to Finnish Traffic Law.

If you neglect the organisers official with organiser tags request to stop the organiser has right to deny competitors start permission.

Reconnaissance starts 31.7.2019 at 12.30 and ends 31.7.2020 at 20.00.
