

## BULLETIN NO. 1

SM O.K. Auto Rally, Time Control instructions due Covid-19. All contacts will be minimum.

### TIME CARD / TIME CONTROL STATIONS

- Time Card will not be given to personnel at time control. Time card is shown through window at wanted moment / minute for personnel by competitors.
- Personnel marks this time to time keeping system and also manually to stages time control table.
- Time Control Personnell shows this time control marking, TC information and possible target time for the stage for competitors. This is shown clearly by seperate sign.
- Competitors marks these times, which shown by Time Control Personnels, to their own Time Card by them selves

### START OF STAGE

- When competitors arrive to start line of the stage, co-driver shows their time card by showing it through the window without opening it for personnels to see it. Personnels at TC marks competitors exact start time for time keeping system and manually to stages time control table.
- Personnel shows the exact start time and Time Control information for competitors one minut before exact start time.
- Competitors mark this exact start time to Time Card by themselves.

### STOP-SIGN

- At stop sign of the stage, competitors are shown by personnels of TC their time of arrival by the accuracy of 1/10 sek.

### FALCE MARKS AT THE TIME CARD

- If competitors mark their time card wrong themselves, must this be informed at time card and inform Rally Organizers by phone (Competitor Relations Officer).

### If Stage is cancelled or start is delayed:

- SS TC Personnels continue working from "TC-Cars".
- Competitors in queue visit to show their time card for TC-car at their time want to be marked.
- TC Personnels inform competitors time to mark to their Time Card, and sets this time to time keeping system.
- Competitors in queue must obey safety clearance with fellow competitors. Face Mask is highly recommended
