5. GENERAL INFORMATION

Total distance of the itinerary is about 420 km including 8 gravel surface Special Stages. Distance of Special Stages is about 122 km in total.

The international Time Card is used in the rally. There is a separate column in the Time Card for competitor's use. Also international turning signs (see below) are used in the rally.

Any protests against the results, must be done within 30 minutes of the publication of the provisional classification.

If a driver or his Delegate is met prior to his starting time on the roads used as Special Stages in Rally and marked yellow, grey or black or unmarked roads in the road map of Finland in the areas of Seinäjoki, Lapua or Kurikka, the competitor will be prohibited to participate in the Rally. Reconnaissance for classes 1–7 and 14–18 according to supplementary regulations Art. 11 is excluded from this.

The Rally organizer reserves the right to inspect the rally cars for classes 8–13 and 19–22 and any personal accessories (including phones) and bags in the car anytime during the Rally to search for pace notes. Finding such materials leads to disqualification from the Rally.

7. ENTRY

Everyone who wants to participate SM Pohjanmaa Ralli needs to register via KITI portal. Foreign competitors register via entry form which is available at www.pohjanmaaralli.fi and also at the KITI portal. The Entry form needs to be returned at the latest on 3.6.2021 at 23:59 via email to pohjanmaaralli@gmail.com.

Use of competitor's information by the organizer:

When registering to the competition, the competitor agrees to the processing of the given personal data provided by the organizer and publication of the specified (name, club etc.) information in the entry list, results etc. communication of the competition.

When registering, the competitor needs to state the fuel and method of refueling they are using in the additional information section at KITI. Foreign competitors notify this information via the entry form.

By the order of entries, 240 first crews who did the registration according to the rules are accepted for the Rally. Possible elimination is performed from other classes than SM, RSJM and Suomi Cup.

In case there are less than three (3) entries for the classes 14–22, the classes can be combined with another class.

8. ENTRY FEES

Competitors in classes SM1-SM4 who fulfill the specifications in the Art 3.1. of the sporting regulations of the Finnish Rally Championship are eligible for the Finnish Championship points.

The entry fees are as following:

Classes 18-22		220 €	220 €

Prices incl. fee for tracking device

Registration and entry fee must be with the organizer no later than 3.6.2021 at 23:59.

The entry fee must be paid by bank transfer to the bank account of Pohjanmaa ralli ry:

Pohjanmaa Ralli ry

IBAN FI16 4108 0011 7753 12

SWIFT ITELFIHH

Reference number should be the license number of the 1st driver.

Entry fees will be refunded in full to candidates whose entry has not been accepted, in case the competitor cancels their participation before the closing date for entries or in case the rally is not taking place.

In case the competitor cancels their participation by 14.6.2021 at 22:00, the entry fee will be returned but 50€ administrative fee will be reserved.

Cancelling the participation should always be done via email to pohjanmaaralli@gmail.com

9. ADMINISTRATIVE CHECK

The administrative check will be done electronically via the forms (contact details during the competition, information for the commentator and team members) available at www.pohjanmaaralli.fi and at KITI portal. **The forms must be returned at the latest on 11.6.2021 at 22:00 via email to pohjanmaaralli@gmail.com. Subject of the email should be competition number and name of the driver.**

The organizer confirms the approval of the documents to the competitor. However, the competitors must have the necessary documents with them during the race in the car.

Administrative check takes place in the Rally Office during the collection of the materials and identification card/passport etc. will be checked. Only one of the drivers can collect the materials.

10. MATERIALS FOR THE COMPETITORS

Competitors in classes 1–7 and 14–18 receive a Road Book, where the route to be followed is described in details, 2 pieces of route maps and reconnaissance materials during the collection of the materials on Thursday 17.6.2021 15:00–20:30 and on Friday 18.6.2021 from 7:00 in the Rally Office.

Competitors in classes 8–13 and 19–22 receive a Road Book, 2 pieces of route maps and competition numbers in the Rally Office within the administrative check on Friday 18.6.2021 from 9:00.

Only one of the drivers is allowed to be present when collecting the materials.

11. RECONNAISSANCE (Classes 1–7 and 14–18)

The reconnaissance takes place over 2 days. Reconnaissance Day 1 is on Thursday 17.6. from 15:00 until 20:30. Reconnaissance Day 2 is on Friday 18.6. from 07:00 until 18:00. There is enough time to do reconnaissance in all of the Special Stages on Friday 18.6. from 07:00 until 18:00.

Two (2) identification numbers must be attached to the reconnaissance car at the top center of the windscreen and the right rear side window and kept visible for the whole duration of reconnaissance.

Speed limit of 80 km/h is valid on all Special Stages during the reconnaissance unless a lower limit is indicated by traffic signs or signs placed by the organizer. Driving during the reconnaissance must not endanger or inconvenience other traffic or people living close by. Crews will only be permitted to enter and leave special stages through the start and finish during the reconnaissance. Driving in the opposite direction of the rally is prohibited. The organizer will control speed as well as the manner of driving during reconnaissance. The police will also supervise on the route and may penalise traffic infringements according to the Finnish Traffic Law.

GPS tracking devices will be handed out with the reconnaissance material and must be used during the reconnaissance. **The competitor must have a USB connection in the reconnaissance car and keep the tracking device connected throughout the reconnaissance.** Only two (2) passages are allowed on Special Stages during the reconnaissance including Special Stages which will be driven twice.

The organizer will control the number of passages on each Special Stage with the tracking device.

Competitor must **move the GPS tracking device into his rally car** after the reconnaissance and prior to his starting time for the Section 1.

Competitors are obligated to follow stopping requests of the Rally Officials with the organizer's badges or the penalty will be refusal to start.

Detailed reconnaissance schedule will be published in the Rally Guide, which is for that part a part of these regulations.

Reconnaissance for competitors in classes 8–13 and 19–22 is not allowed. If a driver in class 8–13 and 19–22 or his Delegate is found on the rally routes prior to his starting time, the driver will be prohibited to participate in the Rally. This does not exclude possible extra sanctions given by ASN.

Speeding during the reconnaissance

The Clerk of the Course can impose the following sanctions for speeding during the reconnaissance measured with the speed control device by the police or the organizer:

A fine of 25 € per km/h over the speed limit

12. SCRUTINEERING

Rally car documentation check

At the latest on 16.6.2021 at 22:00, the competitor must provide the following documents scanned or as pictures for scrutineering via email to pohjanmaarallikatsastus@gmail.com:

- Rally car registration documents
- Scrutineering certificate or certificate of the accepted annual scrutineering
- Both pages of the scrutineering card
- First page of the homologation certification or pass (V, R-Lite or Historic)
- First page of the homologation certification or certification of the safety frame
- First page of catalyst certification

The subject of the email should include competition number and the name of the driver!

Scrutineering is held at Rengastien Autotarvike premises, address Rengastie 28, 60120 Seinäjoki, tel +358503598510. Scrutineering takes place on Friday 18.6.2021 at 10:00-19:00.

Scrutineering schedule will be announced within the the publication of the Rally Guide. Each competitor must book their own scrutineering time slot at <https://slotti.fi/booking/rallism/> between Wednesday 9.6.2021 at 21:00 and Monday 14.6.2021 at 22:00.

Scrutineering closes 10 minutes after the last scrutineering time for each class.

If the competitor wishes to change his scheduled scrutineering time after the booking system has closed, the organizer will charge 50 € fee. The same fee applies also if the organizer books the scrutineering time for the competitor in case the competitor hasn't booked it or if the competitor is late from his scheduled time.

The competitor or his delegate must check in at the scrutineering office (Rengastien Autotarvike, Rengastie 21, 60120 Seinäjoki) 10 minutes before their scrutineering time, when car's presence on time will be recorded. After the check in, the competitor/delegate moves to the equipment inspection which is in the same room and the car will be moved towards the scrutineering.

Noise level of the car might be checked at the scrutineering (maximum 103 dB at 3500 rpm).

Sealing

The spare parts to be registered and sealed for the Rally will be checked and if needed sealed on Friday 18.6.2021 at the scrutineering. More detailed instructions will be in the Rally Guide which will be part of this regulations for that part.

Changing a sealed part during the Rally

The competitor must inform the Chief Scrutineer Riikka Raatikainen, tel. +358503598510.

13. PROGRESS OF RALLY

Start times for each crew will be published at the Virtual Official Notice Board according to the programme.

The competitors must collect the timing transponder from the Rally Office (Rengastien Autotarvike) at the earliest one hour before his own start time and attach it and the previously (within the reconnaissance material) collected GPS tracking device to the Rally car according to the instructions before the start.

For classes 8–13 and 19–22 GPS tracking device will be given at the same time with the timing transponder.

The organizer has the right to lengthen or shorten the intervals between start times at the start of the Rally or at the start of the Special Stages.

Electronic start light system will be used in the start of the Special Stages. The first blue light turns on when there is 30 seconds until the start, the second blue light turns on when there is 15 seconds until the start and the third blue light turns on when there is 10 seconds until the start. When there is 5 seconds until the start, one red light will turn on each second. The start happens, when all the lights turn off.

In case of a false start, all lights will turn on again.

As a back up system, start flag might be used.

If the competitor fails to follow the assigned route in the liaison, it will lead to disqualification.

Rally Section 1

The competitors receive their Time Card 1 at the start TC located in Keskustori, Seinäjoki.

The start happens on 18.6.2021 at 19.01 and every one minute after.

There is no Parc Fermé area in the start of the Rally. The competitor can arrive to the holding area prior to start at the earliest 15 minutes before their own start time.

After Special Stage 2, there is a 30-minute Service A. Before the Service there is a 10-minute Parc Fermé where possible technical checks are conducted.

If a competitor retires Section 1 or his right to start for Section 1 is refused by the Clerk of the Course, the competitor has a possibility to repair the car and participate in the Section 2.

If the competitor wants to continue the Rally after retirement, he needs to notify the Rally Office in written at the latest on 19.6.2021 at 01:00.

For every Special Stage missed, the competitor will be given a time which is the best time of the class + 10 minutes. If a competitor retires on the last liaison on Friday, he will receive a 10 minutes time penalty.

Car of the retired competitor, who will continue the Rally, will be scrutineered in the Parc Fermé on Saturday 19.6.2021 morning at 9:00-9:30. Only the cars approved in the scrutineering will be given permission to start in the Section 2.

The competitors retired on the Section 1 must return the GPS tracking device to the Rally Office at the latest on 26.9.2020 at 01:00 or hand out the device to the sweeper car, even if the competitor is going to continue on Section 2.

Overnight Parc Fermé

Overnight Parc Fermé area is located in Seinäjoen ravikeskus, Ravitie 9, 60120 Seinäjoki.

This is not applicable for the retired cars continuing on the Section 2.

When arriving to the overnight Parc Fermé area, TC 2D will collect the GPS tracking devices from all the competitors.

Rally Section 2

Start order for Section 2 will be based on the unofficial results of the Section 1.

The Clerk of the Course reserves the rights to replace the retired competitors who will continue in the Section 2.

The competitors must collect GPS tracking device from the Rally Office (Rengastien Autotarvike) half an hour (30 min) before their start time for the Section 2 and attach it to their rally car before the start according to the instructions. This is also applicable also for the competitors retired on the Section 1 and continuing for the Section 2.

The first competitor starts for the Section 2 on Saturday 19.6.2021 at 10:01 from the overnight Parc Fermé. The competitors or their representative are allowed to enter the Parc Fermé area at the earliest 10 minutes before their start time. Attaching tracking device is allowed. The first competitor starting for Section 2 must be at the TC 2E at 10:01 (TC 2E = overnight Parc Fermé out).

The competitors will receive Time Card 2 at TC 2E with their own starting time.

After overnight Parc Fermé there is Service B. The service time (approx. 15 min) is included in the liaison time from TC 2E to TC 2F.

After Special Stage 5 when arriving to the regroup/Service C (max 30 min, min 5 min), TC 5A collects the Time Card 2 and gives Time Card 3 to the competitors.

The competitors will drive their cars directly from TC 5A to their own service area. Service can be started at the time which is marked in the Time Card and also in the window of the car by the official at TC 5A (The car is under Parc Fermé until this time). The Service time is 60 minutes.

After Special Stage 8, prior to the Finish of the rally there is Service D. The service time (approx. 15 min) is included in the liaison time from SS8 to 8A.

After the Finish of the rally, the cars will be guided to the podium in the order determined by the organizer and the prizes will be awarded based on the provisional results.

Speeding during the competition

The Clerk of the Course can impose the following sanctions for speeding during the liaison or in the Service Park measured with the speed control device by the police or the organizer:

1st infringement: A fine of 25 € per km/h over the speed limit

2nd infringement: A fine of 50 € per km/h over the speed limit

3rd infringement: A 5-minute time penalty

4th infringement: Disqualification

Due to aggravated safety endangering and / or speeding over 30 km/h, the Clerk of the Course can immediately impose stricter sanction.

14. SERVICE

Centralised Service Park is used in the Rally: Area of Rengastien Autotarvikke (Rengastie 28, 60120 Seinäjoki).

Services:

1 x 30 min, 2 x 15 min and 1 x 60 min

The organizer reserves 6 x 8 m service area for each crew. Service areas according to the sporting regulations of the Finnish Rally Championship are reserved for the Team Championship competitors.

In case of special requests or shared services, a detailed written request (with the size of the service area mentioned) should be sent to the organizer via email pohjanmaaralli@gmail.com at the latest on 10.6.2021 at 23:59. After this time, the organizer charges 150 €/crew for the possible changes.

The organizer reserves the right to reject the requests.

Service cars must have a fire extinguisher and ready-to-use oil spill kit for each crew. Each Rally car must have a liquid-impermeable protective ground sheet covering the area of the car under the car during the service. Lack of any of the above-mentioned leads to immediate disqualification imposed by the Clerk of the Course.

Sanctions for other violations in the service and refueling areas:
