

Driver's Information

Porsche Sports Cup Weekend 2021 at the Kymiring, Iiti, Klausala 6.-7.08.2021

1. Information about Participants.

The Porsche Sports Cup Weekend 2021 Kymiring is a closed event and only a limited amount of people are allowed on the premises.

1.1 COVID-19

Please keep your social distance at 2m and wear a mask inside the Race Office and restaurant. Using a mask is recommended in other locations also. Make sure you have sufficient hand sanitizer with you.

2. Registration at arrival:

The Race Office is located in Pit Box 1. The Race Office is open on Friday 6.8. and Saturday 7.8 from 08:00 till 19.00. Competitors must be registered before 14:00 Friday. At the registration the competitor must show proof of payment of the entry fee and a valid 3rd party traffic insurance for the Race Car.

3. Driver's Briefing:

Driver's Briefing will be kept on Friday 6.8 at 14:15 next to the Race Office.

4. Service area:

The service area has not changed much from last year. There is no running water available and only portable toilets are available. The asphalt area in the parking area has not been enlarged, but all Pit Boxes are available.

Pit Box 1 and 2 are for the Restaurant and Race Office, Pit Box 3 for AutoCarrera and Pit Box 4 if for Scruteneering.

It is highly recommended that Race Cars only enter the Pit Box from the track side.

There is possibility to rent pit garage (6 x 20 m) starting from 5.8 18.00 till 7.8 20.30 Price is 200 € incl. 24% VAT.

The area gates are open between 07:00 – 23:00

For every race car in the service area the team must have a 6 kg extinguisher available near the exit of the service area.

4.1 Warm up of the car

The engine of the car may not be running in the Pit Box, only to move the car. Warming up the car must be done outside, in the Pit Lane. Make sure to keep the Fast Lane open.

5.Pit lane:

When flagged for technical issues (Black/orange), the information will be exchanged at the entrance of the Pit lane, next to the Parc Fermé. Stop & Go and Black flag penalty will be at the same place.

Only necessary personnel of the ongoing race classes are allowed in the Pit lane. Speed limit in the Pit lane is 50 km/h, which will be enforced during the entire event, including free practice. Children are under no circumstances allowed in the Pit lane. Stopping on the right lane, other than required by Competition Officials, is forbidden. On single file driving in the Pit lane is allowed.

6. Information board:

The official information board will be inside the Competition Office, in Pit Box 1.

7. Doctor:

A Doctor is available on Saturday in the "Medical Car" Vehicle, near the track.

8.Parc Fermé:

After every time-practice and every race the car must be brought to the Parc Fermé. You may only leave Parc Fermé after permission or request from the Competition Officials.

9. Re-Fuelling:

Re-fuelling is allowed in the Pit Box, on your own location when the car has cooled down.

Great caution must be observed when re-fuelling and an absorbent material and tarpaulin needs to be available and used if fuel is spilled.

Fuel may NOT be stored inside the Pit Box, it must be stored in a service vehicle in the parking area.

9. Main Marshall Point / Finish:

The main Marshall Point is located near the start/finish line on the left side.

10. Line-up for the Start and Warm-up:

Line up for the start takes place at the end of the Pit Lane, in front of Pit Box 25-31. After Line up is complete, the warm-up lap(s) start from this position.

The time on the Time Schedule is the starting time for the Warm-up lap. If the Competitor arrives to the Pitlane when the gate is closed, they must leave from the Pitlane, when given permission by the officials. If the car stalls when leaving for the Warm-up lap, the car will be pushed to the side. The Competitor may participate in the start from the last row.

Sprint Challenge NEZ will have two (2) Warm up laps, Club Racing one (1).

If the Competitor stalls at the departure for the Warm-up and misses his own starting position, the Competitor must follow in the last position and that the first free spot on the grid, starting as last. If the Competitor loses position momentarily, it is allowed to re-take the position on the starting grid.

11. Rolling Start:

SK 2021 procedure with lights. The starting formation must be formed by Marshall Point no. 15. The Safety Car will lead the Warm-up until the Pitlane entrance and will go to the Pitlane. Pole Position holder will function as Master after that. If the Start cannot be performed for any reason (formation not correct or other) The red lights will not go off, and yellow lights will come on also.

If this happens, one extra formation lap will be driven, which will be discounted from the Competition distance.

12. Jump Start

The Penalty for a Jump Start is according to class rules.

13. Safety Car:

Safety car will be used according to SK 2021.

14. Red Flag, Red Flag re-grouping area:

If the race must be stopped with the red flag, the Competitors must drive carefully to the Parc Ferme area. From there the Competitors will be guided back to the starting grid or to the Pitlane, depending on the situation. In a Red Flag situation, the cars are under rules of Parc Fermé anywhere on the track.

15. Wet Race:

Race leaders will not announce "Wet Race". The Competitor may use wet weather tyres according to his own discretion.

16. Awards:

The Award Ceremony will be on Saturday 7.8 for all races. The location is in the Parc Ferme area. The Ceremony will begin at directly after the last race. Participation is compulsory.

17. Additional rules:

Safety issues regarding this competition will be addressed in the Driver's briefing on Friday

Additional rules or changes will be published on the information board, next to the Competition Office.

18. Competitor interrogation:

If the Race Director want to discuss with the Competitor, he/she will be called upon. If the Competitor has left the area, the decision may be made without the Competitor's input.

Welcome to The Porsche Sports Cup Weekend 2021 in Kymiring!
