Documents must be sent no later than 20.9.2021 at 22.00 to sihteeri@kokua.fi. The subject line must be competitor number and drivers' name.

Organizer signs the received documents to the competitor. The competitor must carry the documents with them in the vehicle throughout the competition.

Identity is checked at the administrative checking and only one competitor to the checking is allowed.

#### 10. COMPETITOR MATERIAL

Material from the Rally HQ

Every crew receives a one road book showing route of the rally in detail and two route maps. Classes 1-7 and 15-17 crews receives one road book showing route of the rally in detail, two route maps and reconnaissance material at the registration starting from Friday 24.9.2021 at 08.00 in the Rally HQ.

Classes 8-14 and 18-22 crews receives one road book showing route of the rally in detail, two route maps and competition numbers from Saturday 25.9.2021 at 10.00 in the Rally HQ.

## Only one of the crew members to the registration!

### Timecards.

Timecard 1 is given at the start TC and the next timecards according to the 13. Competition's procedure.

Used timecards by classes:

Classes 1-4: Timecards 1-4

Classes 8-18: Timecards 1-3

Classes 19-22: Timecards 1-2

# 11. RECONNAISSANCE (Classes 1-7 and 15-17)

R∧LLI<del>ã</del>

Reconnaissance starts 24.9.2021 at 09.00 and ends at 22.00.

When receiving and signing the reconnaissance material the competitor must give to the organizer information about the recce car and their phone number during the reconnaissance.

The two (2) recce car signs which organizer hands to you must be attached to the recce car. One to the top center of the windscreen and one to the right rear window. These signs must be visible for the whole reconnaissance time.

The maximum speed limit is 80 km/h during reconnaissance on all special stages, unless a lower limit is indicated by traffic signs or signs placed by the organizer. The competitor must drive in a manner that does not endanger or inconvenience other traffic or people living near the stages. Driving against the direction of the rally is prohibited. The organizer will control speeds used as well as the manner of driving during reconnaissance. Also, the police will make checks along the route and will penalize for traffic infringements according to Finnish Traffic Law.

If you neglect the organizers official with organizer tags request to stop the organizer has right to deny competitors permission to start.

Classes 8-14 and 18-22 competitors are not allowed to reconnaissance. If classes 8-14 or 18-22 competitors or someone on behalf of them is seen at the special stages before their starting time their permission to start is denied. This doesn't rule out sanctions given from ASN.

Organizer keeps the right to check classes 8-14 and 18-22 vehicle and the personal belongings including phones and bags for possible special stages notes at any time of the competition. If this kind of material is found the sanction is disqualification.

# Penalty for the speeding in the recce

If during the reconnaissance organizer or police notices speeding can the Clerk of the Course give a fine to the competitor according the FRC Serie regulation article 9.1.

GPS -tracking devices are given at the reconnaissance material check and the device must be in place the whole recce. Competitor must make sure that the recce car has got USB power socket for the GPS tracking device and the device must be attached to the socket all the time. After the recce before the start time for the Leg 1 competitor must move the GPS -tracking device to the competition vehicle.

# 12. SCRUTINEERING

For the scrutineering the competitor must send ether scanned or photographed the following documents no later than 23.9.2021 at 20.00 to e-mail: <a href="mailto:rallismkatsastus@gmail.com">rallismkatsastus@gmail.com</a>:

- rally car insurance/registration document
- rally car scrutineering document or certificate or an approval of yearly road inspection
- both pages of the scrutineering pass
- rally car homologation document/passport first page (V1600, N-Lite)
- roll cage homologation document/certificate, 1st page
- catalytic converter sertificate, 1st page

## The e-mail must subject by the competitor number and drivers' name.

Scrutineering location is published in the Rally Guide, which for that part is part of the regulations. Every competitor must book their own scrutineering time at <a href="https://slotti.fi/booking/rallism/">https://slotti.fi/booking/rallism/</a>

between Saturday 18.9.2021 at 08.00 and Wednesday 22.9.2021 to 22.00. Scrutineering ends 10 min after the scheduled time for the last competitor.

If competitor wants to change the scrutineering time after the system is closed the organizer takes 50 € payment for the extra work. Also, the same payment is taken if the competitor doesn't book a scrutineering time or is late from the scrutineering.

Competitor or someone on behalf of competitor must sign up to the scrutineering office 10 min before their scrutineering time. After the signing you move to the equipment checking and the vehicle is moved closer to the scrutineering line. At the scrutineering there can be noise level check, which maximum is 103db 3500rpm.

# Sealing

R/LLI

Parts to be sealed and registered for the competition are checked and sealed, if necessary, on Saturday 25.9.2021 in the scrutineering. Specific instructions are given in the Rally Guide which for that part is part of the regulations.

# Changing a sealed part during the competition

Competitor must make a notification to the Scrutineering Officer Riikka Raatikainen, tel. +358 503598510

#### 13. COMPETITION PROCEDURES

Publication of start list for Leg 1 according to the schedule on the ONB.

Competitions start happens in front of Sokos Hotel Kaarle. Competitors must arrive to the start area approx. half an hour before their start time where the transponder is installed to their vehicles.

# Classes 8-14 and 18-22 GPS -tracking device is given at the same time as the registration and material collecting.

Competitors must make sure that their competition vehicle has got USB power socket for the GPS tracking device and the device must be attached to the socket all the time.

Clerk of the Course has right to change the start intervals at the leg starts and/or at the starts of the special stages.

The electronic start procedure will be as follows:

- 1st blue light: 30 seconds to start.
- 2nd blue light: 20 seconds to start.
- 3rd blue light: 10 seconds to start.
- 1st red light: 5 seconds to start.
- 2nd red light: 4 seconds to start.
- 3rd red light: 3 seconds to start.
- 4th red light: 2 seconds to start.
- 5th red light: 1 second to start.
- all the lights go out: START.

If you make a false start, all the lights turn on again.

The flag is used in case of manual start.
