## BULLETIN BOARD

The official notice board used in the competition is the electronic bulletin board from the SPORTITY mobile application. The bulletin board can be found behind this link <https://webapp.sportity.com/channel/HYA2023> and in the SPORTITY mobile app, password HYA2023.

The official time of the competition can be found in the SPORTITY app.

A user logged in to the competition message channel will automatically receive information about new announcements via pop-up messages. Electronic bulletin board, rules, competitor instructions, additional regulations, announcements, official competition time and links to online result services can be found in one place at SPORTITY.

If you are already a SPORTITY user, click on the three horizontal lines symbol in the upper left corner of your mobile device, which will open a new window "My Channels". Click "+add new" and enter the password **HYA2023** under "password". Click "Sign in" and you will be a follower on HYAcenter Rally's electronic SPORTITY channel.

If you haven't started using the SPORTITY app yet, download it for free to your mobile device from the Appstore (iPhone) or Google Play (Android).

After downloading the SPORTITY app to your mobile device, open the app and log in to the competition's electronic bulletin board. Under "Password", enter the password HYA2023 and click "Sign in".

The paper check is done electronically.

The competitor must submit the following documents scanned: registration extract/transfer permit, inspection card (both pages), front page of the classification certificate/historical passport or V1600 passport, (submitter license if required) and send them to the organizer of the competition at: [pr.rallit@gmail.com](mailto:pr.rallit@gmail.com) by 26.7.2023 at 18.00.

The advance familiarisation, maintenance information and announcer forms can be found in the KITI system and they must be sent to the competition organiser at the address at the bottom of the form [pr.rallit@gmail.com](mailto:pr.rallit@gmail.com) no later than 26.7.2023 at 18.00

The introductory license (28 €) must be paid in advance to PR-Racing's account Bank:  
TSOP

IBAN: **F18252283420008632**

If there are changes to the competitors' information, please note the rule (Article 8.5). If the information is notified to the competition secretary no later than the Wednesday preceding the competition 26.7.2023 by 18:00, a change fee of 35 € will be charged.  
For changes made after this, the competition organizer will charge 50 €.

## ENTERING THE COMPETITION

When you arrive at the competition site, be the first to head to the trailer park to unload the equipment.

After that, you will take the service and race car to the service area. Follow the instructions of the officials.

In no case should there be additional cars in the service area.

## DOCUMENT REVIEW AND DISTRIBUTION OF COMPETITION MATERIALS

When registering, check:

1 Instructor Driver's License

2-Instructor's identity (driver's license, passport or photo ID card issued by the police)

Youth category 1 instructor identity and 2 instructor driver's license.

The competition material will be distributed as follows:

Grades 1-6 and 11-15:

Road book

Route map 2pcs

Roadworthiness test protocol

Number stickers for race car and service car

Identification codes for the pre-familiarisation vehicle

The timecard will be issued at the start of the race once the safety inspection of the car has been successfully completed.

Grades 7-10 and 16-24:

Road book

Route map 2pcs

Roadworthiness test protocol

Number stickers for race car and service car

The timecard will be issued at the start of the race once the safety inspection of the car has been successfully completed.

## **TIMING**

The numbered transponder of the timer is available in the departure queue 10 minutes before the departure time, and it is acknowledged at the same time received.

The timing of the race uses transponders, which are handed over to the finish line at the finish line. Those who have interrupted submit the transponder with the notice of interruption to the organiser of the Confederation of Finnish Industries for submission with the demolition truck to the competition office. The responsibility for the transponder lies with the pair of competitors. Compensation of a competitor for a lost or broken transponder is 200 €.

## **TRAILER PARKING AND UNLOADING AREA**

The trailer park and unloading site are located at: Tampere Trade Fairs, Ilmailunkatu 20 33900

## **SAFETY INSPECTION**

The voluntary security check will begin on 28.7.2023 at 18.00 at SK-Katsastus premises, Lakalaivankatu 12, 33840 Tampere.

You must register for the safety inspection in advance using the form on the electronic notice board, all classes (1–23) by 18:00 on 26/07/2023 or [pr.rallit@gmail.com](mailto:pr.rallit@gmail.com) email address.

By way of derogation from the rules, all classes have the opportunity to undergo a voluntary safety inspection. On Friday 28.7.2023, you must visit the competition office for a paper check, you can only get a roadworthiness card and competition numbers (classes 7-10 and 16-23).

On Saturday 29.7.2023, the inspection schedule will be in order of arrival between 8.15 a.m. and 10.00 a.m.

0 and 00 cars and VIP car come for security check at 8:00 am

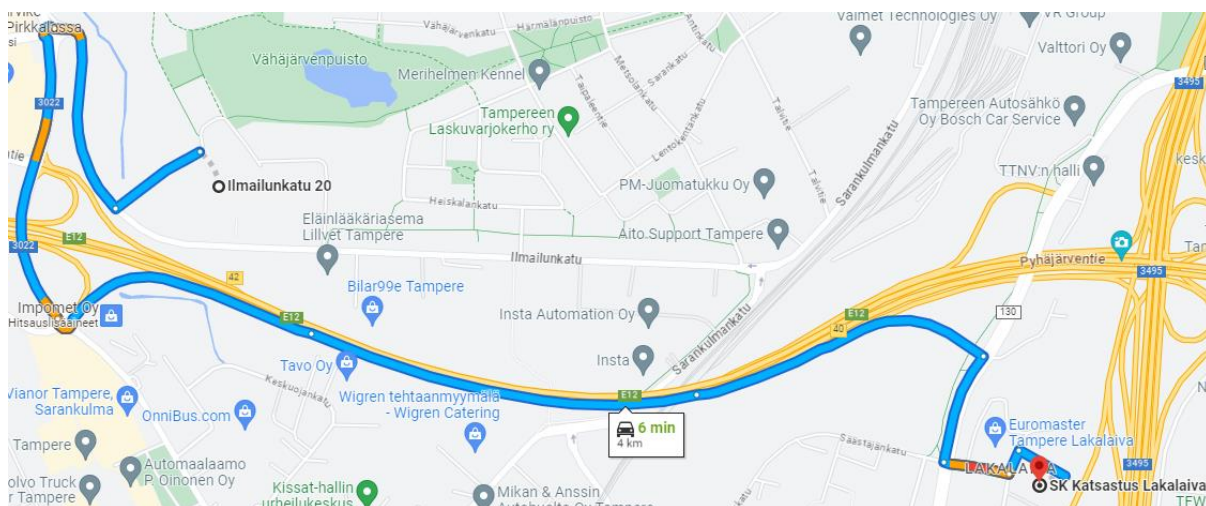

### **Schedule of the safety inspection:**

Front cars, VIP and zeros at 8:00

No. 1–76 from 8:15 a.m. to 10:00 a.m.

The safety check ends 10 minutes after the last race number inspection has ended.

Inspection Manager Pekka Pusa 050 5611330

## **TEST-SS**

Address marked on a separate map, from 13:00 to 19:00 only competitors of classes 1 to 6.

The cars participating in the test will be inspected in the starting queue.

Competitors in classes 1–6 coming to the development test stage must register at the competition office before coming to EK, and the cars must have race numbers and the necessary stickers attached to the cars and the inspection protocol with them when entering the test stage.

## **DEPARTURE**

Departure takes place from the competition centre area.

The list of persons entitled to start with their starting times can be found on the official notice board of the competition from 9.00 a.m. after a safety check has been successfully completed and is completed every half hour.

The timecard is given to eligible competitors at the start of the race.

## **ROUTE AND REFUELING**

Refueling at gas stations marked in the road book.

Jug refuelling: only the competition centre and Shell Valkeakoski.

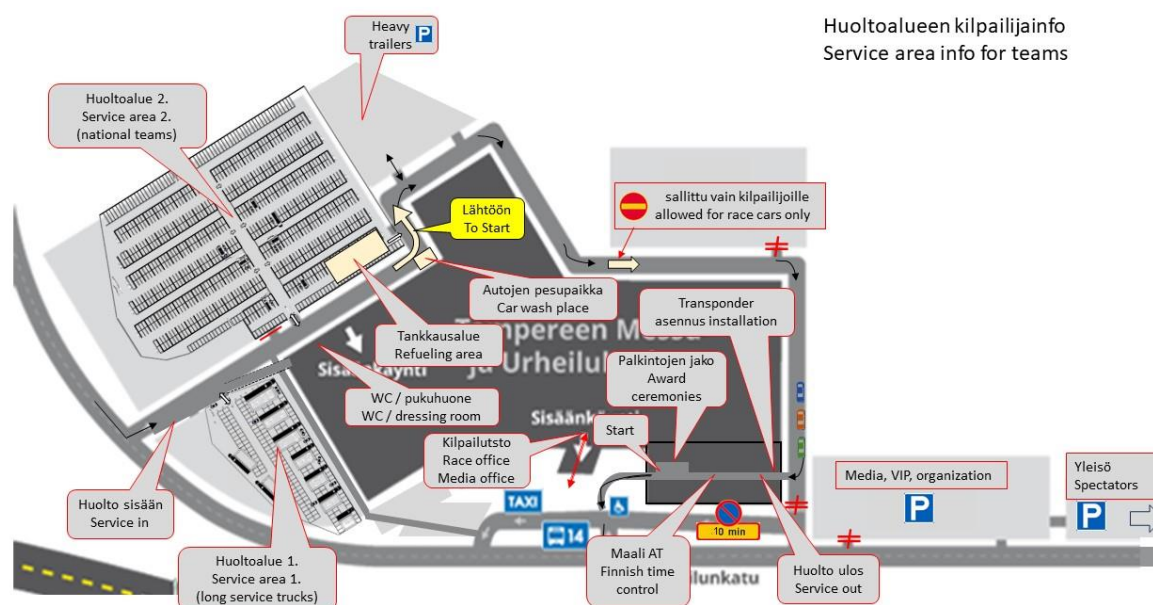

Start - Shell Valkeakoski SS 30.06 km, displacement 71.16 km, total 101.22 km.

Shell Valkeakoski - competition centre SS 5.74 km, displacement 30.84 km, total 36.58 km.

## MAINTENANCE

The maintenance of the competition is after SS 4, the maintenance time is approx. 30 min, and the maintenance is included in the transition between SS 4 and SS5 76 min.

As our maintenance facilities are limited, we have reserved a 7.5x10 m service area for each pair of competitors. If your equipment does not fit in the area reserved for you, please contact Jari Oja, Service Area Manager, 040 5465555. See Rules Section 9: Maintenance.

## FINISH

The finish line of the competition is located in the competition centre. Upon reaching the finish line, the fastest in the classes will be rewarded. AWARDS The list of winners can be found on the bulletin board. Prizes are awarded at the finish line according to unofficial results. Each prize winner must be present. Only with the permission of the race director can be absent.

## RESULTS

The results of the competition can be printed online from the KIT1 system: <https://akk.autourheilu.fi> and MUT PALVELU website [www.mut-palvelu.fi](http://www.mut-palvelu.fi)

## SOCIAL FACILITIES

Are in the competition center.
