9. SERVICE

Both times are so called flexi services. The competitor will be given a Service Out Time and the earliest possible time to start service at Service IN TC. After this and after possible technical inspection (scrutineering) (FRC art. 14.2), competitor will move their rally car at the service spot and will place the document that shows the starting time of service, visibly on the windscreen etc. other place inside the rally car.

Regroup/Service in TC-stations (TC 2A ja TC 5A) the competitor is given a time card for the start of service. After this and after possible technical inspection (scrutineering) (FRC art. 14.2), competitor will move their rally car at the service spot. The time card should be placed on the windscreen of the race car so that the given times are clearly visible.

10. TIRES

The tire code form must be returned electronically to rallismkatsastus@gmail.com
rallismkatsastus@autourheilu.fi by 12.01.2024 5pm 20:30pm.
